

III Course Module Sitzings 2012

In 2012, the III will hold 3 examination sittings, but not all modules will be available in each of these sittings. From 2012, the CII will administer all CII examinations held in Ireland. These will continue to be held in April & October. The tables below summarise at a glance which modules will be available in the 2012 examination sittings.

Full examination timetables and important dates for 2012 can be found on pages XX – XX
