

About the job

If you are an **upbeat** person looking for a real opportunity to grow and succeed in your insurance career, then this position is ideally suited to you.

I am looking for an **enthusiastic, self-motivated and career focused person** with a few year's insurance broking experience.

Responsibilities

- You will have responsibility for the day to day servicing of all aspects of our commercial clients including negotiating renewals, re-broking and finalizing insurance cover.
- You will provide clients with support promptly - by telephone, email or in-person.
- Building good relationships with your colleagues, within our organization as well as with the personnel within insurance companies.
- Participation in campaigns and sales initiatives to target new clients.
- Ensure that our compliance procedures are maintained.

Qualifications

- A degree in business
- Insurance experience
- Industry related qualifications are essential. APA or CIP

What we will provide for you

- Excellent salary with annual review
- Uncapped monthly bonus
- Membership to the III
- Further education (once relevant) and exam fees
- Study support
- Bike to work
- 22 days holidays per year
- 10% of salary in Pension Contribution
