Re-registration / Repeat - Online Application	€420	If a student has had 3 unsuccessful attempts in any component of their assessment, they are required to re-register for the entire module again. We charge a reduced reregistration / repeat fee for the two sittings immediately after the original application. If a module is not re-registered for within this timeframe, the full application will be charged at the next date of application.
Re-registration / Repeat - Online Application	€445	Please note that an additional fee of €25 is added to applications made after the closing date e.g. €420 + €25 late fee.
Entire Module Deferral	€190	A postponement of the student's participation on the programme until the next scheduled semester. Any element of the assessment the student has passed can be carried through to the next term.
Assignment Deadline Extension with Extenuating Circumstances	€70	An unforeseen event that impacts on a student's ability to submit their assignment by the stated deadline. The circumstances under which such an application is made should be based on extenuating situations (e.g. illness, family illness, victim of crime etc). Applications must be made along with all relevant supporting documentation. This fee applies when documentation can be provided to prove the extenuating circumstance.
Assignment Resubmission	€125	This fee is applicable where a student has either been unsuccessful in a previous submission of the assignment or has failed to submit an assignment within the required timeframe without presenting any extenuating circumstances and used one of their three available attempts. If all three attempts have been used, the student must re-register for the module in full.

All Institute fees are non-transferable and non-refundable. Whilst a service registered for may be cancelled (e.g. a membership or exam application), the fee cannot be refunded or transferred once the application has been processed.

HDip (MDI) Fee Type	2025 Fee	About This Fee
MCQ Exam Re-Registration – Online Application	€125	This fee is applicable where a student has either been unsuccessful in a previous sitting of the exam or has failed to sit their scheduled exam without presenting any extenuating circumstances and used one of their three available attempts. If all three attempts have been used, the student must re-register for the module in full.
MCQ Exam Change with Extenuating Circumstance	€95	This fee applies to an unforeseen event that impacts on the student's ability to sit the MCQ after they have already submitted their coursework for the term.
