MDI Higher Diploma in
Insurance Management

The
Insurance
Institute

Who is this programme for?

Irish insurance professionals looking to enhance their career prospects with an advanced qualification directly relatable to their industry

Insurance professionals who hold a level 7 or 8 major award looking to deepen their insurance technical knowledge

Entry-level and technical requirements

Must already have completed your Certificate in Insurance Practice (CIP) and have worked in the industry for at least three years post-qualification.

If you are a CIP holder with less than three years of experience, you must hold a major level 7 or 8 award to apply.

If you are interested in the programme and do not meet the minimum entry requirements you may be eligible under the [RPEL](#) (Recognition of Prior Experiential Learning) route.
