Literacy
Programme**

The
**Insurance
Institute**

Get ready to dive into an experience no TY group has had before.

Be one of the first TY students in Ireland to experience this new Insurance Literacy Programme.

It's **FREE** to use and fully online, so you can do it as a class or work through it yourself, whatever suits.

Do more. Make your TY year count.

- Discover how insurance protects people, businesses and even the planet
- Learn about financial literacy and sustainability
- Explore insurance careers you might never have thought about
- Earn a certificate for your TY portfolio

We're here to help you learn
