

Fee Schedule 2027

The Insurance Institute

Membership Fees	2027	Reinstatement	About This Fee
Student Membership Full Calendar Year renewal and/or joiner	€145	€25	Applies to new and returning members. Student membership is renewed annually from 1 January and usually relates to students registering for May exams. Fees can be paid up to 31 March without penalty. A reinstatement fee applies from 1 April, it also applies when reinstating previous years' lapsed membership.
Student Membership Joining in April – July	€96	N/A	Applies to first year of membership only. Our student membership fees operate on a prorata basis for the first year of membership depending on time of application. This membership fee usually relates to students applying for September exams.
Student Membership Joining in August – December	€48	N/A	Applies to first year of membership only. Our student membership fees operate on a prorata basis for the first year of membership depending on time of application. This membership fee usually relates to students applying for January (in the following year) exams.
Membership Upgrade	€40	N/A	This is a one-off admin fee applied after membership category changes from Student to Graduate following the January or May exams. Members get increased 'Member Area' functionality at this point with access to CPD content and a CPD Log to help meet compliance needs.
Graduate	€260	€50	Graduate membership is renewed annually from 1 January. Fees can be paid up to 31 March without penalty. A reinstatement fee applies from 1 April, it also applies when reinstating previous years' lapsed membership.
Grandfathered Access & Record CPD	€260	€50	Grandfathered status membership is renewed annually from 1 January. Fees can be paid up to 31 March without penalty. A reinstatement fee applies from 1 April, it also applies when reinstating previous years' lapsed membership.

Service Registration & Fees Policy

All Institute fees are non-transferable and non-refundable. Whilst a service registered for may be cancelled (e.g. a membership or exam application), the fee cannot be refunded or transferred once the application has been processed.

Membership Fees	2027	Reinstatement	About This Fee
Affiliate	€260	€50	Affiliate status membership is renewed annually from 1 January. Fees can be paid up to 31 March without penalty. A reinstatement fee applies from 1 April, it also applies when reinstating previous years' lapsed membership. This membership is for those who only want to access CPD or who do not hold a designation but wish to access our CPD content.
CII – ACII	€275	N/A	We do not charge a reinstatement fee for CII scheme members.
CII – ACII Chartered	€295	N/A	We do not charge a reinstatement fee for CII scheme members.
CII – FCII	€285	N/A	We do not charge a reinstatement fee for CII scheme members.
CII – FCII Chartered	€295	N/A	We do not charge a reinstatement fee for CII scheme members.
Retired	€52	N/A	This membership is for retired industry professionals who have given up their designation but would still like to access our events and CPD content.
CII Retired	€52	N/A	This membership is for retired CII industry professionals who have given up their designation but would still like to access our events and CPD content.
Aspiring Member	€50	N/A	This category of membership of the Institute is available to individuals new to insurance and who have been offered a role by one of the employers operating the Institute's Corporate Approved Payment Scheme (CAPS). This 'pre-study' membership is particularly appropriate during any probationary period of employment and gives members access to a range of learning tools to support gaining overall knowledge and awareness of insurance and its benefits to consumers as part of their initial training, prior to working towards a recognised qualification.

Service Registration & Fees Policy

All Institute fees are non-transferable and non-refundable. Whilst a service registered for may be cancelled (e.g. a membership or exam application), the fee cannot be refunded or transferred once the application has been processed.

CIP Module Fees	2027	About This Fee
Exam Fee - Online Application	€370	This fee applies to the 1st application for each CIP module.
Exam Fee - Late Online Application*	€395	Please note that an additional fee of €25 is added to applications made after the closing date e.g. €300 + €25 late fee. (*Only available in exceptional circumstances).
Re-registration / Repeat Fee - Online Application	€185	We charge a reduced registration / repeat fee for the two sittings immediately after the original registration. If a module is not re-registered for within this timeframe, the full (i.e. 1st) application fee will be charged at the next date of application.
Re-registration / Repeat Fee – Late Online Application*	€210	Please note that an additional fee of €25 is added to applications made after the closing date e.g. €185 + €25 late fee. (*Only available in exceptional circumstances).
Deferral Fee	€100	Deferrals are offered in extenuating medical circumstances only and must cover the date of the exam. Evidence must be supplied within 10 working days of the exam date.
Recheck Fee (CIP-01 to CIP-05)	€40	This fee relates to CIP MCQ modules only. Please note that the information available from a recheck is limited. As exam scripts have been through an automated process and further QA, it is very unlikely that a mark will change upon recheck.
Review Fee (CIP-06 to CIP-08)	€70	This fee applies to CIP written modules only. We offer a script review before moving to having a paper re-marked by another corrector. If you move forward and request a full review you will receive a very detailed report from the new corrector.
Deferral - Bereavement	Free of charge	In the event of the student suffering a recent bereavement.

Service Registration & Fees Policy

All Institute fees are non-transferable and non-refundable. Whilst a service registered for may be cancelled (e.g. a membership or exam application), the fee cannot be refunded or transferred once the application has been processed.

MDI Module Fees	2027	About This Fee
Exam - Online Application	€600	This fee applies to the 1st application for each MDI module.
Exam - Late Online Application	€625	Please note that an additional fee of €25 is added to applications made after the closing date e.g. €600 + €25 late fee.
Re-registration / Repeat - Online Application	€435	If a student has had 3 unsuccessful attempts in any component of their assessment, they are required to re-register for the entire module again. We charge a reduced reregistration / repeat fee for the two sittings immediately after the original application. If a module is not re-registered for within this timeframe, the full application will be charged at the next date of application.
Re-registration / Repeat - Late Online Application	€460	Please note that an additional fee of €25 is added to applications made after the closing date e.g. €435 + €25 late fee.
Entire Module Deferral	€195	A postponement of the student's participation on the programme until the next scheduled semester. Any element of the assessment the student has passed can be carried through to the next term.
Assignment Deadline Extension with Extenuating Circumstances	€70	An unforeseen event that impacts on a student's ability to submit their assignment by the stated deadline. The circumstances under which such an application is made should be based on extenuating situations (e.g. illness, family illness, victim of crime etc). Applications must be made along with all relevant supporting documentation. This fee applies when documentation can be provided to prove the extenuating circumstance.
Assignment Resubmission	€130	This fee is applicable where a student has either been unsuccessful in a previous submission of the assignment or has failed to submit an assignment within the required timeframe without presenting any extenuating circumstances and used one of their three available attempts. If all three attempts have been used, the student must re-register for the module in full.

Service Registration & Fees Policy

All Institute fees are non-transferable and non-refundable. Whilst a service registered for may be cancelled (e.g. a membership or exam application), the fee cannot be refunded or transferred once the application has been processed.

MDI Module Fees	2027	About This Fee
MCQ Exam Re-Registration – Online Application	€125	This fee is applicable where a student has either been unsuccessful in a previous sitting of the exam or has failed to sit their scheduled exam without presenting any extenuating circumstances and used one of their three available attempts. If all three attempts have been used, the student must re-register for the module in full.
MCQ Exam Deferral with Extenuating Circumstance	€95	This fee applies to an unforeseen event that impacts on the student's ability to sit the MCQ after they have already submitted their coursework for the term. The circumstances under which such an application is made should be based on extenuating circumstances (e.g. illness, family illness, victim of crime etc). Applications must be made along with all relevant supporting documentation. This fee applies when documentation can be provided to confirm the extenuating circumstance.
MCQ Exam Recheck (MDI-01 to MDI-06)	€40	This fee relates to MDI MCQ modules only. Please note that the information available from a recheck is limited. As exam scripts have been through an automated process and further QA, it is very unlikely that a mark will change upon recheck.
Deferral - Bereavement	Free of charge	In the event of the student suffering a recent bereavement.

Service Registration & Fees Policy

All Institute fees are non-transferable and non-refundable. Whilst a service registered for may be cancelled (e.g. a membership or exam application), the fee cannot be refunded or transferred once the application has been processed.
