

Crown Life Assurance Company's Offices,

16 & 17, Dame Street,

Dublin 16th June 1885.

Dear Sir,

Insurance Institute of Ireland

I have pleasure to inform you that the Committee appointed at the preliminary meeting on the 1st inst, will present their report to a General Meeting of the Managers and Secretaries of the Insurance Companies in Ireland, to be held at the Offices of the National Assurance Company of Ireland, on Monday next the 22nd inst, at 3 P.M. Sharp.

They have carefully considered the question of establishing an Insurance Institute, and they are of opinion it is perfectly feasible and desirable.

I enclose a copy of Rules which have been framed by the

Committee, and which will be proposed for adoption at the Meeting. Rule 2 explains the objects of the Institute, and from rule 4, you will observe that all members of the same profession will be eligible.

The gentlemen present at the meeting on the 22nd inst will form themselves into an Institute, and elect Officers for the current year, after which the rules as adopted will take immediate effect.

After Monday next, all Candidates will be elected as per rule 3. I shall therefore be glad if you will attend the Meeting, but if you cannot do so, please inform me at your early convenience if you wish to become an original member.

And believe

Yours faithfully,

James Law
