

Insurance Representative – Western region relief role

We're currently recruiting for a permanent full time Insurance Representative to join the AXA Branch team, and are looking for an enthusiastic, confident and friendly individual with a pleasant and professional communication style to provide great customer service to our AXA customers.

Supporting our branch network, primarily in the West of Ireland, the successful candidate may be based in the west/midlands area, with a requirement to provide relief cover to branches as needed.

About the Role

Reporting to Regional Management, you will facilitate relief cover as required within the branch network, providing excellent customer service to AXA's customers on all aspects of our products and service, where the main responsibility will be to achieve sales and service targets through business retention, growth and acquisition within a designated network of branch offices.

About the Person

You will have excellent interpersonal skills, be flexible, with an ability to build strong staff and customer relationships.

- Minimum 24 months experience within the insurance industry, ideally APA/CIP qualified or working towards
- Display a strong aptitude for sales and business generation
- Be results orientated with a track record of consistently delivering to agreed objectives
- Be agile, with excellent time management, organisational and planning skills
- Be highly motivated, displaying energy, enthusiasm and a strong desire to succeed
- Access to own car with full clean driving licence
- Minimum essential requirement of successful leaving certificate (including Maths & English)

Rewarding you

AXA Ireland offer excellent benefits including competitive market salaries, Bonus scheme, paid annual leave, generous pension scheme and training and development programmes to give you plenty of opportunities to develop new skills and embark upon new challenges. .
