Dear Mr Williams,

I enclose Syllabus for session 1945/46.

In regard to your visit to Dublin would you please let me know your date of arrival and departure so that I may book a room for you in June's.

No doubt you will apply for your sailing ticket from Holyhead 28 days before departure. Write to the Marine Supt. L.M.S. Holyhead and give your permit number. I will get you the return ticket from here to Holyhead if you give me your permit number also.

We are all looking forward to your visit both your old friends and new ones like myself who have not yet had the opportunity of meeting you.

With kind regards

Yours sincerely

F.V. Hilton
