

A Message from the President of the Insurance Institute of Ireland

On this the 21st Anniversary of their foundation I would like to extend to the Dramatic Society of the Insurance Institute of Ireland my sincere congratulations.

It seems like only yesterday that the Society was founded under the joint Chairmanship of Mr. P. A. Cowman and Mr. F. Prenton-Jones, and they must derive great pleasure from seeing their infant society grow to its majority.

We are all grateful to those members who served on the Committee down the years and to those who made up the various casts for the pleasure they have given us. I would ask them to accept my heartfelt good wishes for their future, which I know will be followed with keen interest by all supporters of the Society.

My best wishes go to Bill Sanfey and his Committee for the success of their anniversary production.

H. ELLIS,
President.

Dear Anne,

What a happy surprise to hear from you but how disappointed I am to tell you that I cannot make the 21st Anniversary Production. Weekends, in fact, are impossible for me, so far as travel outside London is concerned, and I just have to keep my nose to the lens !

My association with both the Institute and the Drama Society have such happy memories for me that I hope you will remember me to any of my old friends who are still around. In any event, all success to the Production and again many thanks for having invited me.

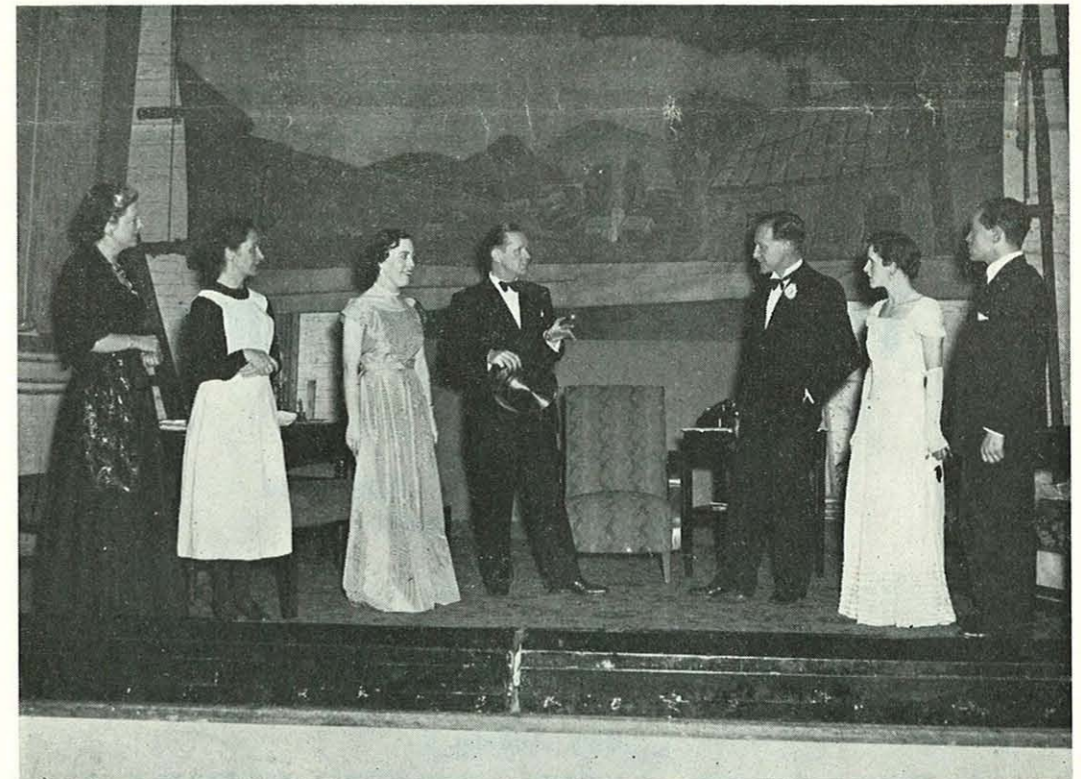

Sincerely,
EAMONN.
