ONE THING THAT’S GROWING FASTER THAN IRELAND . . .

. . . IS IRISH NATIONAL’S SHARE IN PROTECTING IT!

Ireland's surging progress is everyone's dream. And as this dream is converted into reality, the money and risks involved are apt to be big. Needless to say investments, whether in office buildings, factories, shops or homes, must be protected. And they are — by Irish National. Founded in 1919, Irish National has grown to be one of the largest insurance companies in Ireland. But one thing we'll never forget, we couldn't have done it without you.
